

BENEFITS MOBILE APP *by BASIC*

Everything You Need In One Mobile App

BASIC's state of the art Consumer Driven Accounts (CDA) system gives participants access to the BASIC benefits mobile app. Track and manage all BASIC benefits and access helpful tools, anywhere and anytime — with just one app!

Safe and Secure

With the BASIC benefits app, participants can access all the information they need! In addition to checking available balances and account details, the mobile app includes:

- **Picture to Pay**

Take a picture of an eligible benefit expense, then submit it via the BASIC benefits app. No forms, no sign-ins required. Just click submit and we take care of the rest.

- **BASIC Card Lock**

Misplace a BASIC Card? No worries. With the swipe of a finger, participants can lock access until they've located the card, then swipe it back on when found.

- **Expense Eligibility Check**

Not sure if an item is eligible for reimbursement? Find out in seconds on the app. It's the fastest way to make sure benefits are being spent correctly.

Introducing MyWallet

These user-friendly features make benefits management simple and fast:

- **ATM Locator**

Find the nearest ATM to withdraw cash from MyCash account via BASIC Card.

- **Card Holder**

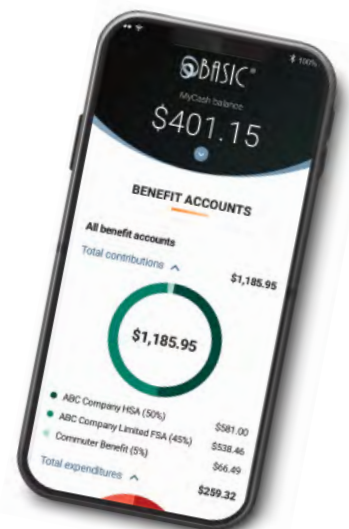

Stores digital images of your BASIC Card as well as other important cards such as insurance cards, rewards cards, even a gym membership card.

- **Receipt Repository**

Keeps benefits-related receipts in one convenient place.
