IDENTITY VERIFICATION (IDV)

Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an HSA. This process will occur automatically upon your enrollment.

If your identity cannot be verified, you will be notified of the identity verification failure via email. The email notification will provide required actions to resolve the matter. If you receive this notification, please provide the requested information within 30 days.

If you do not respond within 90 days, your HSA will be deactivated. Upon deactivation, any funds deposited in your HSA will be returned to you, less any fees, expenses, or taxes chargeable against your HSA, or penalties or surrender charges associated with the early withdrawal of any savings instrument or other investment in your HSA. BASIC and Lake Ridge Bank are not liable for any tax consequences you may incur resulting from the transfer or distribution of your assets as a result of this deactivation. Funds will be returned as adjustments back to your associated bank account. Your employer will retain any employer contributions that were made to your HSA.
