

REQUESTING A DISBURSEMENT FROM YOUR HSA...

Some accounts, like HSAs for example, allow participants to disburse funds without a request. In these cases, the participant is responsible for any tax implications of doing so.

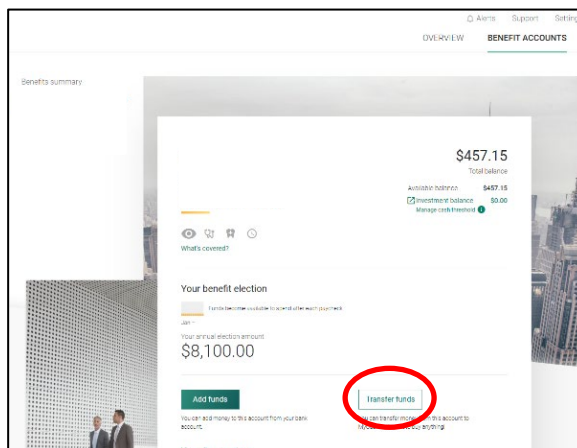

Requesting a disbursement from your HSA. The funds go into your MyCash account and can be used or transferred to a personal bank account.

Requesting a Disbursement:

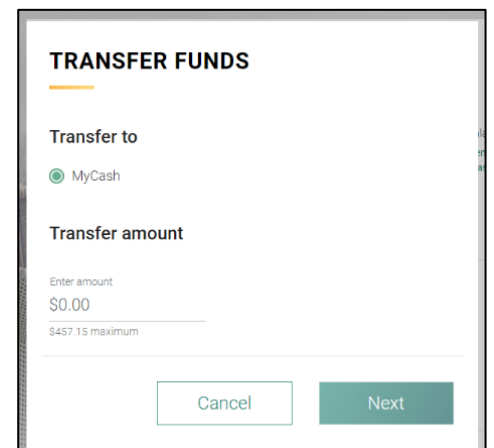

1. Log into <https://cda.basiconline.com/>
2. Click on the benefit account and choose the HSA benefit →
3. Click transfer funds
4. Enter amount and click next
5. Verify and click submit
